

# Creating Jobs through EB5 Immigrant Visa

The Investment Program of EB-5 has created a huge impact than any firm or company. It is a key program under the Visa immigration that helps in the creation of jobs for the

Americans. Primarily the focus of this Visa Program is to benefit clients with Job opportunities.

EB-5 has given hope to many who have moved to The U.S; The hotels were financed to support the onset of any international airport along with investment in retail industry, residential areas and improving the living standards which has helped in the restoration of the unused historic properties along with revamping the lost neighborhoods.

This program has assisted in generating 1,75,000 job offerings with hope in areas where employment had been neglected with no cost to be paid by the taxpayers

For successful execution of EB-5, the Congress had been requested ardently to pass stringent integrity laws to prevent forgery and protect nation's security. For the creation of multiple Jobs, EB-5 can be strengthened by preventing bad actors from not following the program earnestly.

# **Saskatchewan Immigrant Nominee Program – Skilled Worker**

The SINP is another way that you can immigrate to Canada. This program offers you a way to live and work in Canada providing you've being nominated by the relevant authorities. Non Canadians can reside in Saskatchewan and make it their home, and successful applicants will be awarded permanent residency in Canada. You can apply for SINP if you think you meet the criteria but will need to complete applications and provide documentation when required.

Applicants must apply for residency through the relevant immigration authorities. You will need to complete several federal application forms before pressing through one of three categories that allow you to apply for this particular visa.

International Skilled Worker Category – this is for skilled workers who want to work and live in this area, from abroad.

Entrepreneur Category – for young entrepreneurs who want to start a business in Saskatchewan.

Saskatchewan Experience Category – for foreign nationals who are currently living and working in Saskatchewan already.

Before applying for anything, you will need to review the guidelines for each category and provide all the supporting documents needed for your chosen one. You will then need to create an account and complete the relevant sections before submitting. On April 1 2017 the SINP will be introducing an application fee of \$300 for International Skilled Workers. (Demand subcategory 2017-2018)

If your SINP application has been accepted they will send it across to another department so that you can get a permanent resident visa, in the meantime you should receive a temporary work permit. This should allow you to move to Saskatchewan to start your process of finding work or setting up your business, with your family members.

The criteria can change from time to time, but whatever occupation is on the website at the time of applying will always stand. There is also a maximum number of applications taken. There is a points system where you must score minimum 60 points out of 100 to be considered for nomination.

You will be awarded points on:

- Age
- Language (English/French)
- Skilled Work Experience
- Education & Training
- Connections with Saskatchewan in relation to the labour market

You must always be able to provide the supporting documents, this can also speed up your application. If your documents are in another language than the ones above then you will have to get them translated.

## **South Africa moving swiftly to welcome more foreign students and professionals.**

We probably intend to work and settle in countries like USA, Australia & UK.

The economics and policies don't remain constant for any stand-alone country; they fluctuate depending on various factors influencing. The USA is the leading in the world it decides the rest of countries economic situations.

South Africa is coming into the fray in providing the quality lifestyle and education. Currently, though the high wealthy nations are unstable with both the economy and politics.

Despite this graph moving negatively, South Africa is accepting international students and Investors who would like to pursue higher studies and be an Entrepreneur.

- [Are you planning to study in South Africa ?](#)
- [Get South Africa Job Seeker Visa Evaluation Report ?](#)

The statistics report shows that almost from Ten years South Africa encouraged eight thousand foreign immigrants to study, work and settle in this country. In 2014 it set new norms and immigration policies favorably accepting numerous applications.

The education standards are intensifying equal to global standards mark and yielding lots of opportunities for international students to thrive the career to the next level.

Yet South Africa is need of more immigrants because of the shortage of skilled workers due to this it made immigration process ease for the foreign applicants. Once having a working experience of five years in SA can apply for the [Permanent residency visa](#), this allows PR visa holder to stay in the country without further more visa complications, and these same benefits are carry forward to the family member like spouse and children.

### **Some of the occupations in the critical skills list:-**

- Agricultural Scientists
- IT roles
- Engineering
- Health professionals
- Life and Earth Sciences

- Technicians
  - Business Process Outsourcing (BPO)
  - Trades
  - Academics and Researchers
- 

# Check your eligibility for Canada education

Canada is considered as the great learning destination, students from all corners of the world, migrated to Canada for higher education. Obtaining student visa is easy if you understand the basic requirements of the permit.

You become eligible to apply for Canada permit if:

- You are accepted in the recognized Canada institution.
- You must show that you have enough funds to pay your fees and bear living expenses in Canada.
- The proof of fund applies for families accompanying principal applicant.
- Students must respect laws of the land, must produce police clearance certificate.
- Good health condition.
- Must assure immigration officer of your leaving Canada after authorized stay.

Planning to study in Canada ?

### **Various Study programs and permits for Canada.**

If your course duration is less than six months, then you need not require study permit. You can stay till the completion of authorized permit.

The above information provided is basic, prospective students who have long run plans to settle in Canada, must ensure that they become eligible for work permit. The recent amendments suggest that [Canada Immigration](#) has planned to retain the talent created on its soil.

Much emphasis is laid on the [Canada Express Entry Scheme](#), which adds 30 points to the international students with Canadian degrees. Out of the total time spent as a student in Canada, half-time would be considered, when candidate applies for Canada permanent residence.

Canada Express Entry Scheme registers 30 percent of student applications for permanent residence. This might increase with the new changes and increase in number of students from third world countries.

Immigration is being used as an effective tool in Canada for economic development. The students willing to apply for study programs must seek the help of immigration consultants for

successful visa processing.

# Immigrant employers create 1.3 million jobs in Germany

Immigration is a legal procedure, and skilled programs in return benefit the host country. What is wrong here? Why do people oppose? Intolerant behavior is everywhere. The skilled and efficient people have always proved that they can win this world with their abilities. Yes, in Germany it is proved, despite opposition, they are able to do jobs and create jobs.

The recent reports suggest that immigrant employers have created 1.3 million job opportunities in Germany. The people who migrated to Germany have had always made valuable contribution to its economy. Whatever, the reasons could be numerous, but Germany requires foreign talent. Its immigration

Germany Job Seeker Visa and other skilled programs are helping those individuals.

The beauty of the Germany Job seeker visa is it allows individuals to enter Germany even without any Job offer. Germany is the favorite land of mechanical engineers, software engineers who dream to work in the luxurious automobile industry.

Immigration has become an essential phenomenon to fill up the skill gaps. To retain their positions in the top global economies, importing talent has become crucial to numerous individuals. Immigrant entrepreneurs in Germany on an average earn €2,167 per month.

Self employed people with immigrant backgrounds in Germany are not limited to any industry. They are diversified and spreading their wings to numerous industries.

Not going just with the flow just think, what they have contributed. Yes, the discussion is about the immigrants, all the developed economies have enormously benefited through immigrants hard work. None can deny even Donald Trump too!

## **Europe allow visa-free travel for turkey from 4th may if terms met**

If turkey stop the uncontrolled migration into Europe then the visa free travel of Turkish into EU will be possible. The European Union's executive declared it in a press conference. Ankara has to meet the remaining term and conditions of the

immigration deal.

The European commission reported that there were lot of improvement had been made but more commitments needed Sustainable returns of migrants are from Greece to turkey and to settle the refugees of Syria from turkey directly to EU.

The commission did not inform how many benchmarks have been completed by the Turkish out of 72 for the liberalization of visa issue. But one thing he cleared that there are lot more agreements still to be complete.

The requirements include decreasing a backlog of asylum applications, providing the legal access to the refuges for the labor market; improve the strategies of visa for the country of high migration risk and taking the necessary action to protect fundamental rights. But these things are still not fulfilled by turkey.

The migration commission said that to meet all the benchmarks may not be possible as of now. But the improvement is really good. If the development is going such a way then turkey can easily met all the 72 bench marks .The only matter of discussion is the improvement of compliance on Ankara.

The prime minister of turkey said that Ankara is fulfilling the agreement of the deal but the Europeans did not meet their part. If it will continue then turkey would stop applying its side of bargain.

The commission proposes to give the third visa liberalization progress report to turkey on 4<sup>th</sup> may to inform turkey to take immediate action to fulfill remaining benchmarks. Then the report can be analyzed for the legislative proposal to add turkey in visa free list.
