

Canada Express Entry – Frequently Asked Questions (FAQ)

Canada Express Entry has made the Immigration Procedure very easy but still, there are lots of questions to be answered. Here we'll try to resolve the major quarries.

- **What exactly Canada Express Entry program and how it functions?**

It's the door to reach Canada. Whoever wants to go to Canada permanently on skill, they need to submit their profile in express entry pool. Canada Government or Employers can access the pool as per the requirement of Job demand.

This process has made the PR process faster and easier.

- **What is Comprehensive Ranking System?**

Canada has a limited intake. They can't take all of the applicants' from the pool. So, based on age, education, experience, language proficiency etc. they make a ranking out of 1200. And by this CRS ranking, they invite the applicants for PR.

- **Is there any limitation of application in Express Entry pool?**

Not at all. There is no such limit of applications in express entry pool. Anyone who is eligible can put their profile forward in order to get the PR visa. Canada has huge vacancies in their job market. They will take the best ones to work for

them. They give equal chance to every eligible candidate so that they can have more options to choose for their required position. Canada's aim is to take the highly skilled worker from many. If you apply first then your process will get selected faster. But the door of Express Entry pool is never closed for the eligible person.

▪ **How does Job Bank work?**

Job bank is such a place from where you can apply for job simultaneously with your express entry procedure. It is mandatory to register yourself in the job bank once you upload your profile in express entry pool. From any MNC to a province or a Canadian firm, all types of recruiters keep their eyes on job bank so that they can chose their desired candidate with PR.

▪ **What is the charge to present a profile for Express Entry?**

There is no such charge to put forward a profile for Express Entry. However, to file the application in the pool, the candidate must clear Educational Credential Assessment (ECA) and IELTS. ECA will cost INR 12, 00-15, 00 and ILETS – INR 11,300.

▪ **What is the Duration of Process?**

It depends on the profile. Generally, it shouldn't take more than 6-7 months.

▪ **What is the Validity of Express Entry Profile**

365 days.
