

Immigrants benefit through Express Entry Program

Immigration to Canada has hit a high with Canada's new Program known as Express Entry which is a boon in disguise for you to acquire Permanent Residency in Canada.

Express Entry is mainly used to handle applications for applicant to become a permanent resident under the programs which are related to federal economic immigration:

Federal Skilled Worker ,

Federal Skilled Trade

Canadian Experience Class.

Provinces and territories recruit applicants through the Express Entry gateway coming from the Provincial Nominee Programs to cater to the local labour market demand.

All the rules are laid by the Ministerial Instruction for the Express entry board

The Express entry has certain steps to be followed:
